

Safety Data Sheet

1、Identification of the substance / preparation and company

Product Information : NATURAL GYPSUM
Product Number:
Information on Producer/Supplier Name、Addresses、Phone :
KUANG PANG GYPSUM CO.,LTD.
NO.1 NAN KANG ST. HSINCHU CITY TAIWAN R.O.C.
Emergency Phone / Fax : 03-5373127 FAX: 03-5372379

2、Composition / Information on Ingredients

Single

English Name : NATURAL GYPSUM															
Synonyms : CaSO ₄ ·2 H ₂ O															
Chemical Abstracts Number (CAS No.) : 10101-41-4															
Percentage for Chemical Ingredient (%) : 100 %															
Mixing :															
Chemical Characte :															
<table border="1"><thead><tr><th>Hazardous Components Name</th><th>Concentration / Percentage</th><th>Hazard Symbols</th></tr></thead><tbody><tr><td>None</td><td>None</td><td>None</td></tr><tr><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td></tr></tbody></table>	Hazardous Components Name	Concentration / Percentage	Hazard Symbols	None	None	None									
Hazardous Components Name	Concentration / Percentage	Hazard Symbols													
None	None	None													

3、Hazard Identification :

Major Hazard Effect
* Hazard Warnings for Health : None,During using can wear glove and masks.
* Hazard Warnings for Environment : None
*Physical and Chemical Dangerous : None
*Special Harm : None
Major State : None
Hazard Category : None

4、First Aid Measures :

Emergency and First Aid Procedures
• Inhalation : Discharge of itself interior of body.
• Skin Contact : wash with clean water.
• Eye Contact : wash with clean water.
• Ingestion : Discharge of itself.
Major Disease and Harm Effect : None
First-Aid Personal Protection : None
Prompt to Doctor : None

5、Fire Fighting Measure :

Suitable Extinguishing Media : None
Special Exposure Hazards : None
Special Extinguishing Procedure None:
Special Protection Equipment :None

6、Accidental Release Measures

Personal Protection : Wear masks and glove.
Environmental Protection :Keep dry
Methods for Cleaning Up : Use vacuum cleaner.

7、Handling and Storage

Handling : Put it on pallets.
Storage : Put it on pallets and keep dry.

8、Exposure Control / Personal Protection

Engineering Control : Keep air circulation.
Control Factor : None
• TWA/STEL/CEILING : None
• Biotic Index : LD50 : mg/Kg
Personal Protection Equipment :
• Respiratory Protection : Wear a masks.
• Hand Protection : Wear gloves.
• Eye Protection : Wear glasses.
• Skin & Body Protection : Wear clothes.
Hygiene Procedures :After work,wash hands.

9、Physical and Chemical Properties / Characteristics

Appearance :powder	Form : powder
Colour :white	Odour : None
pH value : 6.5~6.8	Boiling Point / Boiling Range: 163℃
Decomposition Temperature : None	Flash Point : °F °C
	Test Method : None
	<input type="checkbox"/> Open Cup <input type="checkbox"/> Close Cup
Spontaneous Temperature : None	Exposure Limits : % None
Vapor Pressure : None	Vapor Density : (Air=1.0) None
(Below) mmHg@20℃	
Specific Gravity : 1.43/cm3	Solubility in Water : g/L None

10、Stability and Reactivity

Stability : None
Special Conditions of Hazardous Reaction : None
Conditions to Avoid : Don't let the powder flying all over.

Incompatibility : None
Hazardous Decomposition Products : None

11、Toxicological Information

Acute Toxicity : None
Local Effects : - None
Sensitive : None
Chronic : None
Exceptional Effect : None

12、Ecological Information

Possibility of Environmental Impact/Move :None
--

13、Disposal Information

Disposal Information :general garbage.
--

14、Transport Information

International Transport Regulation : No danger
The United Nations Number (Un-No) : None
Internal Transport regulation : No danger
Special Transport Way and Note : None

15、Regulation Information

Apply Regulation : None

16、Other Information

Reference	None		
Make Unit	Name : KUANG PANG GYPSUM CO.,LTD.		
	Addresses/Phone : NO.1 NAN KANG ST. HSINCHU CITY TAIWAN R.O.C.		
Make People	Professional Post : GENERAL MANAGER	Name (Sign) : SHERRY HUANG	
Make Date	MAR 01,2024
