

Safety Data Sheet

1、Identification of the substance / preparation and company

Product Information : PLASTER OF PARIS
Product Number:CK81,CK89
Information on Producer/Supplier Name、Addresses、Phone : KUANG PANG GYPSUM CO.,LTD. NO.1 NAN KANG ST. HSINCHU CITY TAIWAN R.O.C.
Emergency Phone / Fax : 03-5373127 FAX: 03-5372379

2、Composition / Information on Ingredients

Single

English Name : PLASTER OF PARIS
Synonyms : Calcium Sulfate CaSO_4
Chemical Abstracts Number (CAS No.) : 7778-18-9
Percentage for Chemical Ingredient (%) : 100%

Mixing :

Chemical Characte :		
Hazardous Components Name	Concentration / Percentage	Hazard Symbols
None	None	None

3、Hazard Identification :

Major Hazard Effect
* Hazard Warnings for Health : Plaster of Paris don't hurt to human body.
* Hazard Warnings for Environment : None
*Physical and Chemical Dangerous : None
*Special Harm : None
Major State : None
Hazard Category : None

4、First Aid Measures：

Emergency and First Aid Procedures

- Inhalation：Discharge of itself interior of body.
- Skin Contact：wash with clean water.
- Eye Contact：wash with clean water.
- Ingestion：Discharge of itself.

Major Disease and Harm Effect：None

First-Aid Personal Protection：None

Prompt to Doctor：None

5、Fire Fighting Measure：

Suitable Extinguishing Media：Plaster of paris has fire fighting function.

Special Exposure Hazards：None

Special Extinguishing Procedure None:

Special Protection Equipment：None

6、Accidental Release Measures

Personal Protection：Plaster of paris is harmless so if breakout pack it over again with new bag.

Environmental Protection：None

Methods for Cleaning Up：Please pack over again with new bag.

7、Handling and Storage

Handling：None

Storage：Keep dry.

8、Exposure Control / Personal Protection

Engineering Control : None
Control Factor : None • TWA/STEL/CEILING : None • Biotic Index : LD50 : mg/Kg
Personal Protection Equipment : • Respiratory Protection : Wear a mask. • Hand Protection : Wear gloves. • Eye Protection : Wear glasses. • Skin & Body Protection : Wear long-sleeved coat.
Hygiene Procedures :None

9、Physical and Chemical Properties / Characteristics

Appearance : Powder	Form : Powdery
Colour : White	Odour : scentless
pH value : (0.1M) 6.9	Boiling Point / Boiling Range: °C None
Decomposition Temperature : None	Flash Point : °F °C Test Method : None <input type="checkbox"/> Open Cup <input type="checkbox"/> Close Cup
Spontaneous Temperature : None	Exposure Limits : % None
Vapor Pressure : None (Below) mmHg@20°C	Vapor Density : (Air=1.0) None
Specific Gravity : None	Solubility in Water : g/L None

10、Stability and Reactivity

Stability : Stability
Special Conditions of Hazardous Reaction : None
Conditions to Avoid : None
Incompatibility : None
Hazardous Decomposition Products : None

11、Toxicological Information

Acute Toxicity : None
Local Effects : - None

Sensitive : None
Chronic : None
Exceptional Effect : None

12、Ecological Information

Possibility of Environmental Impact/Move :The plaster of paris’s production in our factory we collection the waste water use again , and have dust collector , so there are no influence to environment.

13、Disposal Information

Disposal Information : Incineration

14、Transport Information

International Transport Regulation :
The United Nations Number (Un-No) :
Internal Transport regulation :
Special Transport Way and Note :

15、Regulation Information

Apply Regulation : None
