

# Safety Data Sheet

## 1、Identification of the substance / preparation and company

Product Information : Soft Soap
Product Number:
Information on Producer/Supplier Name、Addresses、Phone :
KUANG PANG GYPSUM CO.,LTD.
NO.1 NAN KANG ST. HSINCHU CITY TAIWAN R.O.C.
Emergency Phone / Fax : 03-5373127 FAX: 03-5372379

## 2、Composition / Information on Ingredients

Single

English Name : Soft Soap		
Synonyms : Potassium Soap		
Chemical Abstracts Number (CAS No.) :		
Percentage for Chemical Ingredient (%) :		
Mixing :		
Chemical Characte : FATTY ACID、POTASSIUM HYDROXIDE and ALCOHOLS		
Hazardous Components Name	Concentration / Percentage	Hazard Symbols
None	None	None

## 3、Hazard Identification :

Major Hazard Effect
* Hazard Warnings for Health : None
* Hazard Warnings for Environment : None
*Physical and Chemical Dangerous : None
*Special Harm : None
Major State : None
Hazard Category : None

## 4、First Aid Measures :

Emergency and First Aid Procedures
• Inhalation : Discharge of itself interior of body.
• Skin Contact : wash with clean water.
• Eye Contact : wash with clean water.
• Ingestion : Discharge of itself.
Major Disease and Harm Effect : None
First-Aid Personal Protection : None
Prompt to Doctor : None

## 5、Fire Fighting Measure :

Suitable Extinguishing Media : None

Special Exposure Hazards : None

Special Extinguishing Procedure None:

Special Protection Equipment :None

## 6、Accidental Release Measures

Personal Protection : None

Environmental Protection :None

Methods for Cleaning Up : None

## 7、Handling and Storage

Handling : Put it into a plastic barrels or drum

Storage : Keep in cool place, watch the temperture.

## 8、Exposure Control / Personal Protection

Engineering Control : None

Control Factor : None

• TWA/STEL/CEILING : None

• Biotic Index : LD50 : mg/Kg

Personal Protection Equipment :

• Respiratory Protection : Wear a mask.

• Hand Protection : Wear gloves.

• Eye Protection : Wear glasses.

• Skin & Body Protection : None

Hygiene Procedures :None

## 9、Physical and Chemical Properties / Characteristics

Appearance :Solid	Form : Solid state
Colour :Yellowish	Odour : None
pH value : None	Boiling Point / Boiling Range: °C None
Decomposition Temperature : None	Flash Point : °F °C
	Test Method : None
	<input type="checkbox"/> Open Cup <input type="checkbox"/> Close Cup
Spontaneous Temperature : None	Exposure Limits : % None
Vapor Pressure : None	Vapor Density : (Air=1.0) None
(Below) mmHg@20°C	
Specific Gravity : None	Solubility in Water : g/L None

## 10、Stability and Reactivity

Stability : None

Special Conditions of Hazardous Reaction : None

Conditions to Avoid : None

Incompatibility : None

Hazardous Decomposition Products : None

### 11、Toxicological Information

Acute Toxicity : None
Local Effects : - None
Sensitive : None
Chronic : None
Exceptional Effect : None

### 12、Ecological Information

Possibility of Environmental Impact/Move :Use correct remove method there will not cause pollution.
---

### 13、Disposal Information

Disposal Information :Acid-base neutralization then waste treatment
---

### 14、Transport Information

International Transport Regulation : No danger
The United Nations Number (Un-No) : None
Internal Transport regulation : No danger
Special Transport Way and Note : None

### 15、Regulation Information

Apply Regulation : None
-------------------------

### 16、Other Information
